Statement of Faith

We believe in the Deity of Jesus Christ and the inspiration and authority of the Written Word. Our entire curriculum is taught within the context of a world view that the God of the Bible is the Creator of all the universe. We require a study of the Scriptures. Absolutes of truth, integrity, and honor are reemphasized in every phase of life. Jesus Christ is exalted in academics as well as in worship and is given preeminence over all affairs of the home. We believe that the Christian philosophy of life is the pervasive core of all human knowledge and experience.

Doctrinal Statement

We believe that the Bible is the infallible, verbally-inspired Word of God and that it is, therefore, our final authority in matters of faith and practice.

We believe in the eternally existing triune of God-Father, Son, and Holy Spirit.

We believe in the Deity of Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, and in His ascension to the right hand of the Father, where He now acts as Mediator and Advocate.

We believe in the personal, imminent return of our Lord Jesus Christ for His own, in His later return in power and glory with His own to reign in righteousness over the earth, and in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.

We believe that Heaven is the place of eternal blessedness for the saved and that Hell is the place of eternal conscious punishment for the lost.

We believe that regeneration by the Holy Spirit is absolutely essential for the salvation of lost and sinful men and that all who receive the Lord Jesus Christ by faith are born again and became the children of God.
